North Jefferson Imaging Gardendale - (205) 418-1280

Advancing the Art of Diagnostic Care

Located in the Gardendale Medical Clinic (Suite 115) just off Hwy. 31 at Mt. Olive Road in Gardendale.

- **Directions from I-65 (Downtown B'ham):** Take I-65 North to the Mt. Olive exit (#272). Go .6 miles to Hwy. 31; Turn left; GMC / NJI is immediately on your right.
- **Directions from Walker & West Jefferson Counties:** Connect to I-65 North toward the Mt. Olive exit (#272). Exit right, then go .6 miles to Hwy. 31; Turn left; GMC / NJI is immediately on your right.
- **Directions from Cullman County and points north:** Take I-65 South to the Mt. Olive exit (#272). At the stop sign, go left back across I-65, then go .6 miles to Hwy. 31; Turn left; GMC / NJI is immediately on your right.

PATIENT GENERAL INFORMATION & INSTRUCTIONS

Patient General Information

- Bring this form with you.
- Arrive at least 15 minutes prior to your scheduled exam.
- Bring previously completed related studies such as Mammograms if you have them.
- Bring insurance information and Insurance ID cards.
- Notify us 24 hours in advance, if possible, if you are unable to keep your appointment.
- Follow the instructions provided on this sheet for the examination indicated.
- Any exam requiring IV contrast may require additional blood work. If you have renal problems, are diabetic or currently taking Glucophage, please contact us for further instructions.

Patient Instructions

- Abdominal Imaging:
Do not eat or drink anything after midnight.
- Pelvic / Obstetric:
Drink 32 ounces of water 1 hour prior to exam; do not void.
- Do not wear deodorant, bath or talcum powder on the day of your exam (Mammography).
- Arthrogram:
Discontinue blood thinners 24 hours prior to exam.
